* * * *

Any item listed here may be borrowed free of charge from the Bureau of Information of the National Society for Crippled Children. Additional literature on any of the subjects discussed will be sent to any interested person upon request.

Articles appearing in this Society's bimonthly magazine, THE CRIPPLED CHILD, or in the bimonthly news letter, THE CRIPPLED CHILD BULLETIN, are not listed in this Bulletin.

A complete index for this volume will be issued at the end of the year. Information on periodicals in which articles listed in this issue originally appeared is given on Page 7.

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education or vocational rehabilitation of cripples, and public or private institutions and agencies having Institutional Membership in the National Society for Crippled Children. Available to others at 50¢ a year.

678. American Red Cross News Service. Red Cross to Expand "Convalescent Swimming" in Military Hospitals. Washington, D. C. For release to papers of June 5. June 5, 1945. 3 pp. Mimeographed.

679. [Athletes.] Happy Smiles, Sept., 1945. 6:1:1-12.

This entire issue is devoted to physically disabled athletes.

680. Block, N. Berneta, M.D. Handicaps. Alaska's Health, Aug., 1945. 3:8:6.

Alaska's Health Department hopes to initiate a Rehabilitation Division.

681. Brown, Gordon C.; Francis, Thomas, Jr., M.D.; and Pearson, Harold E., M.D. Rapid Development of Carrier State and Detection of Poliomyelitis Virus--In Stool Nineteen Days Before Onset of Paralytic Disease. Journal of the American Medical Association, Sept. 8, 1945. 129:2:121-123.

682. Butt, Hugh R.; Leake, Capt. William H.; Solley, Cmdr. Robert W.; Griffith, Lt. Cmdr. George C.; Huntington, Lt. Cmdr. Robert W.; and Montgomery, Lt. Cmdr. Hugh. Studies in Rheumatic Fever. Journal of the American Medical Association, Aug. 25, 1945. 128:17:1195-1200.

On physiologic effect of sodium salicylate in rheumatic fever.

683. Connecticut Public Expenditure Council, Inc. Need for a State Infirmary for the Care and Treatment of Aged, Infirm and Chronically Ill Persons--A Report to the 1945 General Assembly by The Public Welfare Council and Suggestions Concerning State Infirmaries for the Aged, Infirm and Chronically Ill. 21 Lewis St., Hartford 3, Conn. Dec. 12, 1944. 101 pp.

684. Crippled Children Camp Sponsored by Escanaba Rotary. Michigan's Crippled Children and Disabled Adults, June, 1945. 11:2:3.

685. Dartmouth Student Workshop Designed for Disabled Veterans. Ceramic Industry, Sept., 1945. 45:3:74,76.

A vocational training school for disabled veterans was recently opened at Dartmouth College, Hanover, New Hampshire. Courses are offered in ceramics, woodworking, metal working and textiles.

686. Disabled Can Be Independent, The. The Trained Nurse and Hospital Review, Aug., 1945. 115:2:110-111.

Pictures of physical therapists aiding their patients in various exercises.

687. Dohmen, Edythe. A Convalescent Home for Rheumatic Fever Patients. Hygeia, Sept. 1945. 23:9:670-671,715.

688. Drills with Broken Leg. Wallaces' Farmer, July 21, 1945. 70:14:489.

Reconditioning soldiers at Schick General Hospital, Clinton, Iowa.

689. Ducas, Dorothy. Career with a Future [Physical Therapy.] Parents' Magazine, Sept., 1945. 20:9:66,69.

690. Eckelman, Dorothy. The Speech Correctionist Talks with the Classroom Teacher. Elementary English Review, May, 1945. 22:157-162. Same: Educational Digest, Sept., 1945. 11:1:49-51.

691. Evans, Alice C.; and Turner, T. Arthur. Crippler in Disguise--The 20 Million Dollar Story of Brucellosis in America. National Society for Crippled Children, Elyria, Ohio. [1945] 15 pp. Free.

Several case stories of persons whose lives were changed or ended by brucellosis [undulant fever] are followed by an explanation of the causes and spread of the disease, its history, and an outline of the present methods of fighting it. Illustrated throughout with sketches and pictographs.

692. Evans, C. George. Establishing Disabled Veterans. Flour and Feed, May, 1945. 45:22.

Air Associates, Inc., reports on their survey of employment of the handicapped and lists advantages of employing the disabled.

693. Family Welfare Association of America. Education for Veterans. 122 East 22nd St., New York 10, N. Y. Blue Bulletin--Number F-2. July 30, 1945. 3 pp. 5¢.

Comparison of provisions for financial help and counseling for veterans included in the veteran rehabilitation act [Public Law 16, 78th Congress] and the G. I. Bill of Rights [Public Law 346, 78th Congress.]

694. Fowler, Bertram B. It's Always D-day on the Farm. Country Gentleman, Aug., 1945. 115:13.

An article on farm accidents written for National farm safety week.

695. Goodwill Industries of New York, Inc. And Now They Look Up! 123 East 124th St. New York 35, N. Y. [1945.]

Pictorial, financial, and statistical report for 1944.

696. Gwynn, Maj. Henry B. Reconditioning for Civilians. The Modern Hospital, Sept., 1945. 65:3:56-58.

Increasingly important role of physical medicine in Army hospitals.

697. Harris, Lt. Cmdr. Harold J. Raw Milk Can Kill You. Coronet, May, 1945. 18:84-88

Discusses the public health menace of brucellosis [undulant fever] which is spread through unpasteurized milk.

698. Heiser, Karl F. A Connecticut Plan for the Chronically Ill. The Connecticut State Medical Journal, Mar., 1945. 9:3:199.

699. Heiser, Karl F., Ph.D. Connecticut Plans Carefully Its Statewide Program for the Chronic Ill. Hospitals, Sept., 1945. 19:9:66-68.

700. Hellebrandt, F. A. The Report of the Baruch Committee on Physical Medicine--Implications for Physical Education. Journal of Health and Physical Education, Sept., 1945. 16:7:367-368,419-420.

701. Hills, Margo. The Water Route Back to Recovery. The Red Cross Courier, Sept., 1945. 25:3:6.

Points out value of aquatic activities in reconditioning of war casualties. Recommends increased use of swimming for civilian cripples.

702. Hollis, Ernest V. Data for State-Wide Planning of Veterans' Education. Published by U. S. Office of Education. For sale by: Supt. of Documents, U. S. Gov't. Printing Office, Washington, D. C. Bulletin 1945, No. 4. 69 pp.

703. Horder, Lord. (In collaboration with the Empire Rheumatism Council) Rheumatism--Notes On Its Causes, Its Incidence and Its Prevention; with A Plan for National Action. H. K. Lewis & Co., Ltd., London, England. 4th Edition. 1944. Two s.

704. Hurlin, Ralph G. Statistics of Medical Social Casework in New York City. Russell Sage Foundation, 130 East 22nd St., New York, N. Y. 1945. 21 pp. 25¢.

705. Hutchinson, Esther; Lanctot, Elizabeth H.; and Phelps, Winthrop Morgan, M.D. Handbook on Physical Therapy for Cerebral Palsy. Published by Ohio Society for Crippled Children--Distributed by State Dept. of Education, Division of Special Education, Columbus, Ohio. 1945. 45 pp.

An introductory section explains the several types of cerebral palsy--spasticity, athetosis, ataxia, tremor and rigidity. The section on treatment includes a listing of the several modalities used, suggestions and music for rhymes and exercises, and instructions for improving balance in the various posture positions. The last two sections cover records, appliances, and equipment and are well illustrated.

706. Kent, Rosemary M. What About the Handicapped? Journal of Health and Physical Education, Sept., 1945. 16:7:386-387,422-425.

Report of survey made by Community Council of Winston-Salem, North Carolina.

724. Perlstein, Meyer A., M.D. Hope for Spastic Children. JC Review, July, 1945. 2:3:3-5.

Activities at Therapeutic Day Nursery of Michael Reese Hospital in Chicago.

725. Ratcliff, J. D. Rh. Woman's Home Companion, Sept., 1945. 72:9:17.

726. Retail Employees and Disabled Veterans. Publisher's Weekly, July 7, 1945. 148: 1:26-27.

"Five New York C. I. O. store unions have set up a program to prepare salespeople for their responsibility in serving the disabled veterans."

727. Rheumatism Campaign, The [in Great Britain] British Journal of Physical Medicin and Industrial Hygiene, July-Aug., 1945. 8:4:93.

728. Rich, Wilmer Shields. Volunteers in Public Welfare. Public Welfare, Aug., 1945. 3:8:183-185.

A guide for developing volunteer bureaus through which citizens can serve a community program in health welfare and other fields.

729. Robinson, D., M.D. A New Gold Preparation for Treatment of Rheumatoid Arthritis. The Canadian Medical Association Journal, Sept., 1945. 53:3:279-280.

730. Rockford Epidemic Tells Our Industry's Polio Story--Privies and Cesspools Outside Limits of City Appear to be a Principal Causative Factor in Spread of Infantile Paralysis. Domestic Engineering, Sept., 1945. 166:3:98-102.

731. Scott, Dorothy S. Odds Against Polio. Woman's Home Companion, Sept., 1945. 72: 9:90-92.

732. Senn, Milton J. E., M.D. Emotional Aspects of Convalescence--Fulfillment of Child's Emotional Needs is Factor in Physical as Well as Psychological Recovery. The Child, Aug., 1945. 10:2:24-28.

733. Shortley, Michael J. Cooperative Agreement with National Association to Control Epilepsy. Federal Security Agency, Office of Vocational Rehabilitation, Washington, D. C. Series No. 13. Aug. 25, 1945. 6 pp. Mimeographed.

734. Shortley, Michael J. Report on the Observance of National Rehabilitation Week, [June 2-8, 1945.] Federal Security Agency, Office of Vocational Rehabilitation, Washington, D. C. Aug. 1, 1945. 14 pp. Mimeographed.

735. Shortley, Michael J. Service for the Severely Disabled--Descriptive Materials Prepared by State Agency. Federal Security Agency, Office of Vocational Rehabilitation, Washington, D. C. Aug. 29, 1945. 7 pp. Mimeographed.

Description of program developed by the Wisconsin Rehabilitation agency.

736. South Carolina State Board of Education. Seventy-Sixth Annual Report of the State Superintendent of Education of the State of South Carolina. Columbia, South Carolina. 1944. 282 pp.

Includes statistics and pictures on vocational rehabilitation, pp. 180-191.

737. South Dakota Society for Crippled Children. Helping the Crippled, July 1, 1945. Vol. 1, No. 1, 4 pp.

A new publication of the South Dakota Society for Crippled Children devoted to activities and needs of crippled in that state.

738. State Legislation on Compensation for Second Injuries. Monthly Labor Review, Aug., 1945. 61:2:284-288.

739. Steele, Merrill F., M.D. Physical Medicine Expands. Hospitals, Sept., 1945. 19:9:86-87.

Briefly outlines recent expansion and present trends in this specialty. Discusses essentials of acceptable schools for technicians.

740. Tabs, Shafts, and Toggles. New Yorker, July 28, 1945. 21:24:14.

Convalescing Army Air Force men at Mitchell Field Hospital, Hempstead, Long Island, New York "disassemble" machinery for a war industry.

741. This for GI Joe. Newsweek, Sept. 3, 1945. 26:10:31-34,36.

Includes what is and can be done for disabled veterans.

742. Unger, Lester J., M.D. The Rh Factor. The American Journal of Nursing, Sept., 1945. 45:9:688-690.

The discovery of the Rh factor is of great clinical importance in giving blood transfusions. If the patient is Rh negative and receives Rh positive transfusions sensitization may result with a hemolytic reaction. Rh negative blood should then be administered in order to save the patients life.

743. Vincent, Sister Mary, R.N. The Place of the Catholic Hospital in the Physical Restoration Services of the Vocational Rehabilitation Program. Hospital Progress, Aug., 1945. 26:8:262-264.

744. Walker, Mildred F. Health Service Must be Expanded for Mothers and Children. The Modern Hospital, Sept., 1945. 65:3:67-69.

Various advisory committees list recommendations urging the Childrens Bureau to take definite steps toward helping states to secure adequate financial support.

745. Ward, F. G. "Orthopaedic" Rehabilitation. British Medical Journal, Aug. 18, 1945. 4415:225-227.

Exercises for shoulder and upper limbs, lower limbs and trunk.

746. Ward, Robert; Melnick, Joseph L.; and Horstmann, Dorothy M. Poliomyelitis Virus in Fly-Contaminated Food Collected at an Epidemic. Science, May 11, 1945. 101: 2628:491-493.

747. Washington Senators Sign Amputee War Hero. Michigan's Crippled Children and Disabled Adults, June, 1945. 11:2:3.

Lt. Bert R. Shoppard whose left leg was amputated between the knee and ankle after his plane was shot down May 21, 1944, has signed a contract as coach with the Washington Senators baseball team.

748. White, J. Gustav. Rehabilitation for Severely Disabled--A Sketch of Recent Efforts on Rancho Los Amigos (Los Angeles County Farm). Office of Vocational Rehabilitation, Los Angeles, Calif. May 25, 1945. 6 pp. Mimeographed.

749. Wilson, Charles P., M.D. Arthritis: Plans of Therapy. Northwest Medicine, Feb., 1945. 42:2:51.

750. Withey, Elsie D.; and Hoffman, E. F., M.D. What, Please, is This Polio? Florida Health Notes, July-Aug., 1945. 37:7,8:105-111.

751. Wisconsin State Board of Vocational and Adult Education. Eleventh and Twelfth Biennial Report--Vocational Rehabilitation Division. Madison, Wisconsin, Series No. 29. 1944. 82 pp.

This report contains illustrations, four maps, and nineteen graphs, supplementing the text. Items of special interest are discussions of case work and physical restoration, the homecraft program, and data on age, marital status, education, disabilities, and earnings of clients.
